HON. Geo. Brown, Of Storey  
HON. W. J. Westerfield, Of Lyon

For United States Senator,  
WM. M. STEWART, of Ormsby.

For Congressman,  
F. G. NEWLANDS, of Washoe.

For Justice of the Supreme Court,  
CHAS. H. BELKNAP, of Storey.

Co-University Regent, long term,  
Nest H. L. FISH, of Washoe.

For University Regent, short term,  
CHAS. E. MACK, of Storey.

### CAUSE OF PARTY DECAY.

Mr. E. B. Zabriskie was about the street yesterday saying that no matter what was shown against Doane and Summerfield, they were on the straight Republican ticket and he proposed to vote for them as long as they were on the Republican ticket. It is this mistaken idea of party fealty that has brought the once proud Republican party of Ormsby to its present state of demoralization and decay.

In the days when a nomination meant an election, the ring in Ormsby only put such men on their ticket as could be handled when in office and depended on to do the bidding of their masters.

But the better element in this county have severed their connection with the party, which has become simply a machine by which thieves and bootlickers can be elevated to offices of public trust, and as they see the best offices in the gift of the people turned over to thieves, frauds and dead beats they have reached the conclusion that a change is imperative in the management of county affairs.

We would like to inquire of Mr. Zabriskie if after reading the Hanson affidavit he will still endorse Summerfield by his vote.

### A Threatened Danger.

From all over the State comes word of a serious danger threatened Ormsby county.

The silver men of the eastern counties and also of Storey and Washoe say: "If Ormsby county, the place in the State most benefitted by silver legislation, can't stand by the silver interest, then we have the remedy."

"When the Legislature meets we will move the capitol to some silver county."

"But" says the Republican "think of the expense."

"Damn the expense," is the reply; "the silver taxpayers in the State are willing to stand it for the sake of expressing their sentiment on the subject," and that is the feeling all over the State.

The defeat of the silver ticket today means a good deal more to the town than it does to the candidates.

### Fighting Among Themselves.

War has broken out among the ringsters. Yesterday they were charging fraud in the Crawford primary count.

The most prominent rumor is that the friends of King claim he beat Summerfield and was counted out, by a transfer of 51 votes, and that the ring had to kick Winnie off the ticket and put King on to keep him pacified if he dropped on it.

Other beaten candidates are scratching their heads and trying to figure out what sort of a show they had in the count. They will probably never know.

In spite of the announcement in the Tribune that ladies should remain away from the meeting when the editor of the APPEAL spoke, for fear of being shocked by his remarks, the Opera House last evening contained over one hundred ladies from the best families in Carson, and one

of the boxes was occupied by Rev. Bird and his family. It is quite evident that the respectable element of Carson either does not read the Tribune or does not believe it when it reads it.

Nothing but fraud and chicanery at the polls today can defeat the will of the people of this county. All the Silver men ask is fair play and a fair count. The ring will resort to any measure to keep the taxpayers from having a chance to overhaul the county books. All the taxpayers want is a chance to get a peep behind the scenes.

The editor of the Tribune, who attended last night's meeting in the hope of making a vulgar distortion of language, went away a sadly disappointed man. For the man whose erratic brain can only see a vulgar meaning in ordinary well meant sentences, the APPEAL has nothing but the profoundest sympathy.

If your watch is out of order in any way you can get it repaired at Golden's by skilled workmen from the best institutions in Europe. The work turned out in jewelry repairing is always finished in the best style and the assortment of goods has no equal anywhere in Nevada. j4tf.

### Commercial Lunch.

There will be served during the Summer a regular commercial lunch at Anderson's lunch counter in Weiland's saloon. It will be a hot lunch with soup, beer, tea, coffee or milk, for 25 cents. It is proposed to make this the best lunch in the city for the money, and will run from 12 to 2 o'clock. July 1
